FOR THE HAIR!

Barry's Tricopherous

Established 1891.

Infallible for renewing, invigorating and beautifying the hair, removing scurf, dandruff, and all affections of the scalp, and curing eruptions of the skin, diseases of the glands, muscles and integuments, and relieving stings, cuts, bites, sprains, etc. The affinity between the germs which constitute the skin and the hair which grows in and out of the scalp, is very close. All diseases of the hair originate in the skin of the head. If the pores of the scalp are clogged, or if the blood and other fluids do not circulate freely through the small vessels which feed the roots with moisture and impart life to the fibres, the result is scurf, dandruff, shedding of the hair, grayness, dryness and hardness of the ligaments, and entire baldness, as the case may be. Stimulate the skin to healthy action with Barry's Tricopherous, and the torpid vessels, recovering their activity, will annihilate the disease. In all affections of the skin and of the substrata of muscles and integuments the process and the effect are the same. It is upon the skin, the muscular fibre, and the glands that Barry's Tricopherous has its specific action, and in all affections and injuries of these organs it is a sovereign remedy.

Beware of Counterfeits.

From the Greatest Living Physician, Thomas, Madison Avenue, New York, July 26th, 1888.

Mrs. Barry & Co., New York.

Dear Sir:—I take pleasure in announcing to you that Barry's Tricopherous is one of the few articles always to be found on my dressing case. In my conception it is one of the best of toilet waters, and for the bath it is not only a most refreshing invigorating, I recommend it without reserve.

Yours truly, C. O. BERGER.
